Roadworks Update:

Dear Neighbours and Businesses,

On behalf of myself and the Fulton Hogan team, I would like to offer our sincere thanks for your patience throughout the weekend. We understand that our works can be disruptive and your ongoing understanding and kindness have greatly assisted us in carrying out these essential tasks.

Next weekend, we will be undertaking similar works—this time on the opposite (ODDS) side of the road. We have identified several areas for improvement, particularly concerning traffic management and are committed to ensuring a smoother process.

We will be in touch via email, text message and letter drop before Friday to keep you informed about any changes and what you can expect.

If you have any questions or concerns, please do not hesitate to contact me directly.
