NRL Fantasy League – Take on the Boss!

Only need 3 more players! The Warrior Chief (aka Tony, our Manager) is starting a brand new NRL Fantasy League and it's FREE to enter.

HERE IS HOW IT WORKS:

1. Download the NRL Fantasy app from the App Store or Google Play. Create an account or log in if you already have one.
2. Join our league by entering the code **H6US6CE9**.
3. Build your squad. You'll select a salary capped team of 21 real NRL players scoring points based on how they perform in real life games. For example, a try = 8 points but a send-off = -10 points. Set a starting lineup of 13, your captain earns double points and go head-to-head with an opponent each week.
4. Each week, if you're up against Tony and manage to beat him, he'll shout you a \$20 bar tab! On top of that, the highest points scorer of the round will also receive a \$20 bar tab, proudly sponsored by Export Ultra.

Easy as that. No experience needed, just jump in and have a crack!

Whether you're a seasoned fantasy player or brand new and keen to give it a crack, jump in and join the fun.

Please note this is a separate competition from our usual NRL tipping/picking competition.

Game on!

Who's backing themselves to take down the Warrior Chief?
