# 2026 NRL TIPPING COMPETITION

## ROUND 9 RECAP

This week proved to be a tougher round for most, with scores a little harder to come by and only three players managing to crack the 20-point mark. Leading the way this week were David M-D and Suds, both posting an impressive top score of 22 points—great picking!

At the top of the overall leaderboard, David Boyd is still holding onto the lead, now sitting on 148 points. Stew Steptoe remains close behind on 145 points, while Pat D and Nellie Macdonald are now tied on 144 points. Yogi is still right in the mix on 142 points, keeping the pressure on.

Goodluck for the next round!

Round 10 sheets are now available at the raffle bar and remember you can also submit your picks by emailing [members@manurewacc.org.nz](mailto:members@manurewacc.org.nz). All picks must be submitted by 7:00pm Thursday.

**COSSIE CENOSILLICAPHOBICS**

Top scorer of the round once again was Korie, posting an impressive 1046 points!

The Sheriff could have a tougher week ahead with the Warriors on a bye—especially with 17 Warriors players in his lineup.

It’s still incredibly tight on the ladder, with only two wins separating first and ninth place.

Warriorchief kept the momentum going with another win over Carla, and this week faces off against Knickknack in what should be another great matchup.
