2026 NRL

TIPPING COMPETITION

ROUND 10 RECAP

This week was a high-scoring one, with plenty of big scores across the board and only a few stragglers having a tougher week. An impressive 17 players managed to hit the top weekly score of 22 points, while everyone bar three players posted double-digit scores—great consistency all round!

At the top of the overall leaderboard, David Boyd is still holding onto first place on 170 points, but the chasing pack is closing in. Stew Steptoe sits just behind on 167 points, followed by Pat D on 166 points. Yogi remains right in the hunt on 164 points, with David M-D rounding out the top five on 161 points.

Goodluck for the next round!

Round 11 sheets are now available at the raffle bar and remember you can also submit your picks by emailing members@manurewacc.org.nz. All picks must be submitted by 7:00pm Thursday.

FANTASY

COSSIE CENOSILLICAPHOBICS

Round 10 saw plenty of movement as a number of teams started forcing their way toward the top of the ladder.

Island Girl, Halfway Bangers, and WARRIOR CHIEF all cracked the 1000-point mark for the round—an outstanding effort—with Island Girl taking out the top score prize for the week.

It couldn't be much tighter at the top, with the top six teams all locked on the same points, while only two wins separate first and tenth place. With the season starting to take shape, every win is becoming more valuable.

Good luck for the next round!
