2026 NRL

TIPPING COMPETITION

ROUND 11 RECAP

Round 11 proved to be another big scoring week, with plenty of players sticking with the predictable winners. A huge 8 players managed to hit the top score of 22 points, while another 18 players weren't far behind on 19 points—showing just how consistent the competition is becoming.

At the top of the leaderboard, David Boyd is still holding onto first place on 192 points. Pat D has moved into second place on 188 points, edging ahead of Stew Steptoe who now sits on 186 points. Yogi remains right in the mix on 183 points, while Bunch of Sheilas has climbed into the top five on 182 points.

The leaderboard is staying incredibly tight, and every point is starting to matter more as the season rolls on...

Goodluck for the next round!

Round 12 sheets are now available at the raffle bar and remember you can also submit your picks by emailing members@manurewacc.org.nz.

All picks must be submitted by 7:00pm Thursday.

FANTASY

COSSIE CENOSILLICAPHOBICS

The competition remains incredibly close after 11 rounds, with just one win separating first and eighth place on the ladder. A small gap is now beginning to appear between eighth and ninth, making every matchup even more important heading into the next few rounds.

Logan Clark's Bunch of Gerald's and WARRIOR CHIEF posted the top scores of the round, with Logan Clark's Bunch of Gerald's taking out the weekly prize thanks to an impressive score of 999 points.

With the ladder starting to take shape, the pressure is on to keep pace with the leading pack...

Good luck for the next round!
