# 2026 NRL TIPPING COMPETITION

## ROUND 12 RECAP

Round 12 was a shorter round with only five games being played, meaning there were fewer points up for grabs and every pick counted that little bit more.

Despite the reduced schedule, we still had three players manage a perfect score of 15 points—great picking by Hugh Chapman, BDM, and Faye B.

At the top of the leaderboard, David Boyd continues to lead the way on 204 points, with Pat D close behind on 200 points. Yogi has now moved up to tie with Stew Steptoe, with both players sitting on 195 points. Bunch of Sheilas and David M-D round out the top group on 192 points.

The race at the top is still incredibly close, and with plenty of rounds still to come, there's still everything to play for...

Goodluck for the next round!

Round 13 sheets are now available at the raffle bar and remember you can also submit your picks by emailing [members@manurewacc.org.nz](mailto:members@manurewacc.org.nz).

All picks must be submitted by 7:00pm Thursday.
